Dear Luis,

Ed and I are writing to let you know how much we appreciate the wonderful job you and the gentlemen on your crew have done throughout the past few years at our home.

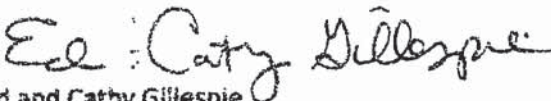

Every time your crew has worked here, whether it was a minor touch-up job, or a major exterior painting, patching and repair, they have arrived on time, worked hard, and the results have always been excellent. The guys are great about moving furniture and pictures, and putting everything back exactly as it was. They are extremely professional and pleasant to have in our home.

As the owner of the company, we very much appreciate your personal attention to detail, and responsiveness. I cannot count the times I have called you and needed you within the week. You have always managed to produce a few men to get the job done, and have personally inspected the job afterwards to make sure it is up to your standards.

We would highly recommend your painting company to anyone who needs painting and repairs either inside their home or on the exterior of their home. We have never worked with a company as professional, responsive, and detail oriented as yours. The results are always spectacular!

Please feel free to use us as a reference. We would be glad to speak with any potential clients you may have. Thank you again for all you have done for us.

Sincerely,

Ed and Cathy Gillespie
